

Sandhill Elementary College and Career Week

November 16th-20th, 2020

How do we get elementary school students college and career ready? Students need to understand and be exposed to higher education and careers. Through exploration and setting high expectations students CAN achieve their goals. We have planned some fun events to help get them learning early!

Monday, November 16th- Wear a College shirt Day

Friday, November 20th- Career Dress Up Day- see attached information

* Throughout the week students will be learning about different colleges and careers with their teachers !*
